

## **PUBLIC SAFETY**

I am in constant contact with the police chief, sheriff and solicitor about crimes in our area, and pleased to report the police and sheriff's departments are coordinating efforts to fight crimes in our neighborhoods and business corridors. I am also developing a pilot program for at-risk youth.

## **BUDGET**

I have been appointed by the Chairman of County Council to serve on the finance committee. The five members of this committee are responsible for the development and implementation of Richland County's 135 million dollar general fund budget.

## **TRANSPORTATION**

I supported the measure to fund CMRTA buses for one year without raising taxes. This was extremely important to me because I did not want to raise taxes during these tough times and force City of Columbia residents to pay twice for this service.

## **CLEANER ENVIRONMENT**

I will oppose a planned rock quarry that's within a mile of Williams Brice Stadium. The project raises numerous air quality concerns and would damage property values and economic development in the area. I've also requested staff implement more e-storage to reduce paper use and costs.

(L to R) Columbia Police Chief Randy Scott, Sheriff Leon Lott, Councilman Seth Rose and Solicitor Dan Johnson are working together to reduce crime and improve public safety in our community.

***Constituent Update***

It's an honor to be your representative on County Council. Since being sworn into office on January 4 this year, I've been working to make County government more accountable and accessible. On the reverse side, I have provided an update on some items.

If I can be of assistance to you, please don't hesitate to call me on my cell phone at 361.2360 or my law office line at 779.0100.
