

S&P UPGRADES RICHLAND COUNTY'S CREDIT RATING TO HISTORIC LEVEL

I'm proud to share with you that Standard & Poor's has upgraded Richland County's credit rating to an AAA standing.

This is the first time we have reached this level in the history of Richland County and the new rating reduces the overall costs for the county when we borrow money for public infrastructure projects.

WORKING TO MAKE 5 POINTS SAFE AGAIN

I have called upon the Sheriff's Department, USC and Columbia Police to come together and develop a plan to make 5 Points safer.

Additionally, I have put forth a motion that will be debated by County Council to fund the expenses of the Sheriff's Department to protect ALL citizens in 5 Points and end the rash of gang violence.

A COMPOST PROGRAM TO HELP OUR ENVIRONMENT

County Council approved a motion I sponsored in October to develop a countywide composting program.

My motion means Richland County will continue to collect yard waste (grass clippings and leaves) and treat it so that it can be re-used, rather than dumping it in a landfill.

● Anna, Cole, Luke and I wish you the happiest of holidays. We hope the season brings you warm memories that last a lifetime!
